

Software License Agreement

This Software License Agreement ("SLA" or "License") is a legal agreement between you (either an individual or an agent for your company, institution or other entity, henceforth "You" or "Licensee") and intooitus s.r.l. ("intooitus" or "Licensor") for the software product identified above, which includes computer software and may include associated media, printed materials, online or electronic documentation, and additional Internet-based services ("Product").

PLEASE READ THE CONTENTS OF THIS SLA CAREFULLY BEFORE USING THE ACCOMPANYING PRODUCT. YOU AGREE TO BE BOUND BY THE TERMS AND CONDITIONS OF THE SLA BY DOWNLOADING, INSTALLING, COPYING, OR OTHERWISE USING THE PRODUCT. IF YOU DO NOT AGREE TO THESE TERMS AND CONDITIONS, DO NOT DOWNLOAD, INSTALL OR USE THE PRODUCT.

1. General

The Product, whether on disk, in read only memory, on any other media or in any other form, is licensed, not sold, to You by intooitus, for use only under the terms of this SLA, and intooitus reserves all rights, title, ownership or intellectual property rights in or to the Product, in whole or part, not expressly granted to You herein. The Product is protected by copyright and other intellectual property laws and treaties. The rights granted herein are limited to the intellectual property rights of intooitus and its licensors and do not include any other patents or intellectual property rights. Intooitus retains ownership of the Product itself. The terms of this SLA will govern any software upgrades provided to You by intooitus that replace and/or supplement the original Product, unless such upgrade is accompanied by a separate license in which case the terms of that license will govern.

Title and intellectual property rights in and to any content displayed by or accessed through the Product belongs to the respective content owner. Such content may be protected by copyright or other intellectual property laws and treaties, and may be subject to terms of use of the third party providing such content. This SLA does not grant You any rights to use such content.

2. License Specific Grants and Restrictions

- 2.1. **Evaluation License.** An evaluation license allows You to install and use the evaluation version of the Product on a single computer. Depending on the type of license file installed in the product, the allowed evaluation period of the product may be limited. The evaluation version of the Product may have restrictions with respect to the functionality that is available to You. You may not publish any results of benchmark tests run on the Product or disclose its features, errors or bugs to a third party without Licensor's prior written consent. During the term of the Evaluation License, Licensor shall be under no obligation to provide any technical support, and it may at its sole discretion (i) fix reported errors; (ii) provide You with updates to the Product for installation by You; and (iii) provide You with support and consultation concerning the

Product. Upon expiry of the evaluation period, you must acquire an additional evaluation or other license, or comply with the terms of paragraph 4.4 hereof.

- 2.2. **Single Workstation License.** If you purchased a single workstation license ("Single License"), You are granted a non-exclusive and non-transferable license to use one copy of the Product in object code form solely on a single designated central processing unit, either physical or emulated, owned or leased by You ("Computer"). This License allows you to install and use one copy of the Product, on a single, designated Computer ("Designated Computer"). This License does not allow the Product to exist on any other Computer other than the Designated Computer, and You may not make the Product available over a network where it could be used by multiple Computers at the same time. You may make one copy of the Product in machine-readable form for backup purposes only, provided that the backup copy must include all copyright or other proprietary notices that came with the original.

Activation associates the use of the software with the Designated Computer. Activation is only required in the case of a Single License (see paragraph 2.2 hereof). As part of the activation procedure, information about the Designated Computer is collected and sent to intooitus. THIS INFORMATION IS DERIVED FROM THE HARDWARE CONFIGURATION OF THE DESIGNATED COMPUTER AND CONTAINS NEITHER PERSONAL INFORMATION, NOR ANY INFORMATION ABOUT OTHER SOFTWARE INSTALLED ON THE DESIGNATED COMPUTER. By using the Product, you consent to the transmission of this information. You are not permitted to bypass or circumvent activation. You may have the option of activating your Product either manually by e-mail, or automatically if the Designated Computer is connected to the Internet. Some changes to your Designated Computer's components or the Product may require you to repeat activation.

- 2.3. **Floating License.** By purchasing a floating license, You are granted a non-exclusive and non-transferable license to install and use the Product in object code form, on several central processing units, either physical or emulated, owned or leased by You ("Computers"), provided that the number of simultaneously running copies does not exceed the maximally allowed number of simultaneously running copies ("MANSRC") that is specified in the purchased license. You are not permitted to exceed the MANSRC at any time, and You may not make the Product available over a network where it could be remotely used by multiple Computers at the same time. Compliance with the above restriction may be enforced through special license server software that is separately provided and licensed to You by intooitus. You may make one copy of the Product in machine-readable form for backup purposes only, provided that the backup copy must include all copyright or other proprietary notices that came with the original.

- 2.4. **Site License.** A site license grants You a non-exclusive and non-transferable license to install and use any number of copies of the Product, in object code form, on several central processing units, either physical or emulated, owned or leased by You ("Computers"), which are either located within 2 km (or 1.24 miles) from one another, or are connected within the same VPN network. You may make copies of the Product in machine-readable form for backup purposes only, provided that the backup copies must include all copyright or other proprietary notices that came with the original.

3. Further Restrictions

- 3.1. You shall not use the Product for any purpose other than Your own internal business purposes and other than as provided by this SLA.

- 3.2. You shall not except as expressly authorized herein, make any copies of the Product.
- 3.3. If an update completely replaces (full install) a previously licensed version of the Product, you may not use both versions of the Product at the same time nor may you transfer them separately.
- 3.4. You shall not reverse engineer, disassemble, reverse translate, decompile, or in any other manner decode the object code for the Product in order to derive the source code form.
- 3.5. You shall not decode any passwords, encrypted license or installation keys that have been provided by Licensor, or otherwise circumvent built-in protection mechanisms, in order to enable the execution of the Product on unauthorized equipment, or beyond the authorized time period.
- 3.6. You shall not assign (by operation of law or otherwise) or transfer this SLA or Your interest in or rights under this SLA, or attempt to do so or enter into any agreement to do so with any other party, without the prior written agreement of Licensor, and any such assignment or attempted assignment shall be null and void and shall result in the automatic termination of your License.
- 3.7. Except as expressly provided herein, or unless expressly authorized by Licensor in writing, You shall not rent, resell, sublicense, distribute, transfer, loan, use, lease or otherwise make available the Product or any part thereof to any third party or use the Product, or any part thereof, in an outsourcing, service bureau, application service provider or managed service provider environment; Licensee may not transfer a copy of the Product or any part thereof to any third party, nor may Licensee allow the Product or any part thereof to be accessed over a network or the Internet in a manner that would allow users to access it, who are not employed by Licensee, without the prior written consent of Licensor;
- 3.8. You shall not remove any copyright notices, trade-marks, or any other proprietary legends and/or logos of Licensor appearing on the Product.
- 3.9. If You install and use the Product within a virtual (or otherwise emulated) hardware system, you are not allowed to make exact copies (also called clones) of that emulated environment, which contain the Product. Each new instance or clone shall be treated as a different Computer under this SLA.

4. Term

- 4.1. The license granted herein is effective upon acceptance of this SLA by You and shall remain in effect until terminated. If the Product or a component thereof is licensed on a limited time or subscription basis, then, unless renewed by Licensee, the license for that component or the Product shall automatically terminate on the corresponding expiration date.
- 4.2. Licensee may terminate this SLA at any time by complying with the requirements of paragraph 4.4 hereof.
- 4.3. Your rights under this License will terminate automatically without notice from intooitus if You fail to comply with any term(s) of this License. If You fail to pay the license fee in respect of the Product, You shall be deemed to have materially breached this SLA and the License shall terminate automatically.

- 4.4. Upon the termination of this License, You shall cease all use of the Product and destroy all copies thereof, full or partial.

5. Disclaimer of Warranties

UNLESS OTHERWISE AGREED AS PART OF A SEPARATE WRITTEN AGREEMENT BETWEEN LICENSOR AND LICENSEE, YOU EXPRESSLY ACKNOWLEDGE AND AGREE THAT USE OF THE PRODUCT IS AT YOUR SOLE RISK AND THAT THE ENTIRE RISK AS TO SATISFACTORY QUALITY, PERFORMANCE, ACCURACY AND EFFORT IS WITH YOU. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, THE PRODUCT IS PROVIDED "AS IS", WITH ALL FAULTS AND WITHOUT WARRANTY OF ANY KIND, AND LICENSOR HEREBY DISCLAIMS ALL WARRANTIES AND CONDITIONS WITH RESPECT TO THE PRODUCT, EITHER EXPRESS, IMPLIED OR STATUTORY, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES AND/OR CONDITIONS OF MERCHANTABILITY, OF SATISFACTORY QUALITY, OF FITNESS FOR A PARTICULAR PURPOSE, OF ACCURACY, OF QUIET ENJOYMENT, AND NON-INFRINGEMENT OF THIRD PARTY RIGHTS. LICENSOR DOES NOT WARRANT THAT THE FUNCTIONS CONTAINED IN THE PRODUCT WILL MEET YOUR REQUIREMENTS, THAT THE OPERATION OF THE PRODUCT WILL BE UNINTERRUPTED OR ERROR-FREE, OR THAT DEFECTS IN THE PRODUCT WILL BE CORRECTED. NO ORAL OR WRITTEN INFORMATION OR ADVICE GIVEN BY LICENSOR OR AN AUTHORIZED REPRESENTATIVE SHALL CREATE A WARRANTY. SHOULD THE PRODUCT PROVE DEFECTIVE, YOU ASSUME THE ENTIRE COST OF ALL NECESSARY SERVICING, REPAIR OR CORRECTION. SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSION OF IMPLIED WARRANTIES OR LIMITATIONS ON APPLICABLE STATUTORY RIGHTS OF A CONSUMER, SO THE ABOVE EXCLUSION AND LIMITATIONS MAY NOT APPLY TO YOU.

6. Limitation of Liability

- 6.1. Licensee shall assume the entire risk as to Licensee's use of the output of, and the reports generated as a result of the use of the Product. Licensor shall not be liable for any indirect, special, incidental and/or consequential damages, including punitive or multiple damages, or any failure to realize expected savings, loss of data, equipment downtime, loss of use, loss of goodwill or loss of revenue or profit suffered by Licensee for any reason, nor for any claim against Licensee by any third party for damages of any kind which arise from or in connection with the delivery, use, or performance of the Product.
- 6.2. Licensor shall only be liable for Licensee's direct proven damages which arise from or are in connection with the delivery, use or performance of the Product, provided that in no event shall Licensor's total cumulative liability for all costs, losses and damages exceed the amount paid by Licensee to Licensor upon purchase of the Product.
- 6.3. The foregoing limitations and exclusions of liability shall apply even if Licensor had been advised of the possibility of any such costs, losses or damages or knew or ought to have known of such costs, losses or damages and shall apply regardless of whether the action arose in contract, including, without limitation, from a fundamental breach, or breach of a condition, fundamental term or warranty, or in tort (including, without limitation negligence) or otherwise. The foregoing provisions limiting the liability of Licensor shall also apply to its officers, directors, employees, and agents as trust provisions for the benefit of such officers, directors, employees, and agents and shall be enforceable by such persons as trust beneficiaries.
- 6.4. The foregoing limitations will apply even if the above stated remedy fails of its essential purpose.
